

CURRICULUM VITAE

ANA JULISA PALOMINO CABRERA

PERSONAL INFORMATION

Status: PhD Student in Mathematics, Instituto de Matemáticas, Universidad de Talca, Chile.

E-mail: ana.palomino@utalca.cl

PARTICIPATION IN SCIENTIFIC PUBLICATIONS

- [1] Automorphism groups of rigid complete intersections. Joint with J. Duque Franco and A. Liendo. Preprint, [arXiv:2607.12139](#).
- [2] A one-step counterexample to the normalized Nash blowup conjecture. Joint with A. Liendo and G. Rodríguez. Preprint, [arXiv:2604.07519](#).
- [3] Automorphisms of prime power order of weighted hypersurfaces. Joint with A. Liendo. *Transformation Groups* (2026).

ACADEMIC DEGREES

- [4] Master of Science in Mathematics. Universidad de Talca, Chile.
- [5] Bachelor in Mathematics. Universidad Nacional Pedro Ruiz Gallo, Lambayeque, Peru.

ORGANIZER IN ACADEMIC EVENTS

- [6] Organizer of the International Congress Algebraic Varieties and their Singularities - AVATS 2025. Talca, Chile, December 2025.
- [7] Organizer of the Algebraic and Complex Geometry session at the XCIII Encuentro Anual de la Sociedad de Matemática de Chile. Vicuña, November 2025.
- [8] Organizer of the XXXVI Coloquio Nacional de Matemática, Universidad Nacional Pedro Ruiz Gallo. Lambayeque, Peru, August 2019.

TALKS IN ACADEMIC EVENTS

- [9] Automorphisms of prime power order of weighted hypersurfaces. Symmetries, Invariants and Singularities in Algebraic Geometry with a view towards Latin America, CMO. Oaxaca, Mexico, August 2026.
- [10] On Quotients of Calabi–Yau Generalized Fermat Manifolds and log–Enriques Varieties. XXV Congreso Latinoamericano de Álgebra. Lima, Peru, August 2026.
- [11] Automorphisms of prime power order of weighted hypersurfaces. Arithmetics of Non-Positively Curved Varieties, Laboratoire de Mathématiques et Applications, Université de Poitiers. Poitiers, France, October 2025.
- [12] On the order of an automorphism of a quasi-smooth hypersurface in weighted projective spaces. Séminaire GAGALie - Laboratoire de Mathématiques et Applications, Université de Poitiers. Poitiers, France, April 2025.

- [13] Order of an automorphism of a quasi-smooth hypersurface in weighted projective spaces. XCII Encuentro Anual de la Sociedad de Matemática de Chile. Valdivia, December 2024.
- [14] Order of an automorphism of a quasi-smooth hypersurface in weighted projective spaces. Jornada de Geometría en Concepción 2024. Concepción, October 2024.
- [15] Possible prime orders of an automorphism of a quasi-smooth hypersurface in weighted projective spaces. Seminario de Estudiantes del Instituto de Matemática. Talca, October 2024.
- [16] Automorphism group of smooth hypersurfaces. Encuentro Nacional de Estudiantes de Matemática II. Talca, January 2024.
- [17] Order of the automorphism group of a Delsarte cubic smooth hypersurface. Primer Mini-Workshop of Geometry UFRO-UTALCA. Talca, October 2023.

PARTICIPATION IN ACADEMIC EVENTS

- [18] Participation in the workshop Symmetries, Invariants and Singularities in Algebraic Geometry with a view towards Latin America, CMO. Oaxaca, Mexico, August 2026.
- [19] Participation in the XXV Congreso Latinoamericano de Álgebra. Lima, Peru, August 2026.
- [20] Participation in the XCIII Encuentro de la Sociedad Matemática de Chile. Vicuña, Chile, November 2025.
- [21] Participation in the Workshop Arithmetics of Non-Positively Curved Varieties, Laboratoire de Mathématiques et Applications, Université de Poitiers. Poitiers, France, October 2025.
- [22] Participation in AGREGA 4. La Serena, Chile, January 2025.
- [23] Participation in the XCII Encuentro Anual de la Sociedad de Matemática de Chile. Valdivia, Chile, December 2024.
- [24] Participation in the Jornada de Geometría en Concepción 2024. Concepción, Chile, October 2024.
- [25] Participation in the V Latin American School on Algebraic Geometry, CIMPA School, organized by IMPA. Cabo Frío, Brazil, August 2024.
- [26] Participation in the Coloquio Latinoamericano de Álgebra, Pontificia Universidad Católica de Chile. Santiago, Chile, July 2024.
- [27] Participation in the I Escuela de Postgrado en Matemáticas. Licán Ray, Chile, June 2024.
- [28] Participation in ENEMAT II. Talca, Chile, January 2024.
- [29] Participation in AGREGA 3. Talca, Chile, January 2024.
- [30] Participation in the XCI Encuentro de la Sociedad Matemática de Chile. Santiago, Chile, December 2023.
- [31] Participation in the Escuela de MathAmSud on Geometry. Quisco, Chile, December 2023.
- [32] Participation in the 8th Iberoamerican Congress on Geometry. Pucón, Chile, December 2023.
- [33] Participation in the Primer Mini-Workshop of Geometry UFRO-UTALCA. Talca, Chile, October 2023.
- [34] Participation in the XXXV Jornada de la Zona Sur. Concepción, Chile, April 2023.
- [35] Participation in the XXXVI Coloquio Nacional de la Sociedad Matemática Peruana. Lambayeque, Peru, August 2019.

- [36] Participation in the “Ciclo de Conferencias”, held for Peruvian Mathematician’s Day. Lambayeque, Peru, June 2019.
- [37] Participation in the “I Encuentro Internacional en Ciencias Matemáticas”. Lambayeque, Peru, December 2018.
- [38] Participation in the “Jornada de Conferencias”, held for Peruvian Mathematician’s Day. Lambayeque, Peru, June 2016.

ACADEMIC TEACHING

- [39] Lecturer for Mathematics II, Medical Technology program. Universidad de Talca, third trimester of 2026.
- [40] Lecturer for Mathematics I, Commercial Engineering program. Universidad de Talca, 2026.
- [41] Lecturer for Mathematics I, Commercial Engineering program. Universidad de Talca, 2024.
- [42] Teaching assistant in the course “TABLEAUX Y FUNCIONES DE SCHUR”. Universidad de Talca, January 2024.
- [43] Teaching assistant in the course “PROBABILIDADES ELEMENTALES PARA APLICACIONES”. Universidad de Talca, January 2024.
- [44] Modeled the disciplinary content of the virtual high school platform of Universidad de Talca, associated with project TAL 2195, January 2024.
- [45] Teaching assistant. Universidad de Talca, 2023.
- [46] Teaching assistant at Universidad de Talca, during the Master of Science in Mathematics.
- [47] Teaching assistant in the course “Cálculo Integral”. Universidad Nacional Pedro Ruiz Gallo.

Ana Julisa Palomino Cabrera
